Anniversary of the First Women's Rights Conference (July 19 and 20)

On July 19-20, 1848, Elizabeth Cady Stanton and Lucretia Mott spearheaded the first women's rights convention in American History. Over 300 women and men came to Seneca Falls, New York to protest the mistreatment of women in social, economic, political, and religious life. This marked the first call for women's right to vote.

Anniversary of Women Winning the Vote (August 26th)

On August 26, 1920, after three generations of an unrelenting, brilliant, courageous, political campaign, women in the United States won the right to vote.

To honor and commemorate this historic event, Bella Abzug introduced a Congressional Resolution to ensure that this date would be commemorated with the designation of **Women's Equality Day**, which is celebrated on August 26th each year.
