The Susan B. Anthony Project community mourns the loss of staff member Lois Shelley who passed away on January 14, 2013. Lois originally came to Susan B. Anthony Project as a volunteer, and then joined our staff twelve years ago. Lois served in many roles: transitional housing advocate, volunteer coordinator and trainer, and most recently program manager. Lois was completely dedicated to Susan B. Anthony Project's clients. We feel very fortunate to have known and worked alongside Lois. She was a calm and gentle soul. Lois leaves her husband P.J., 3 adult children, and 5 grandchildren.
