

# **“Spirit of 1776,” a Suffragette Anthem** By : Eighty Bug

C Major

G F C

The women united to free every man  
but at last with mans freedom there still was a lack  
Each voice should be heard but only could half  
To be free to speak to choose and to laugh

**Pre-hook**

**Dm Am**  
**So they stood once again every misses and girl**

**E7**  
**They filled up their wagon with banners unfurled**

**Dm Am**  
**They paved the way bold for each gal to come**

**E7**  
**To be treated as one, be you daughter or son**

**Hook**  
**C F**  
**It's the spirit freedom that we still fight for**

**G**  
**And now just like then we'll still go door to door**

**C F**  
**Load up the wagon with signs high on sticks**

**G**  
**Come along for the Spirit Of 1776**

After house were cleaned and the children attended  
After dinner was served and the torn things were mended  
Without wanting or waiver they gathered together  
Suffragette-ing in all kinds of weather
